

## The Undercroft Weekender

Sadly the weather was wet, wet, wet but our venue was dry and welcoming. CSK hosted a tent full of activities on the Saturday of the Undercroft Weekender. This included our 'Talking Benches' where people were encouraged to sit down and have a chat. There was also opportunity to decorate the benches and to leave a kind word. Look out for the benches in the coming weeks.

**August 2019**

**Welcome to Christ the Servant King CSK Church.**

It's the month when many families head off on holiday, and a few members of CSK recently headed off for a holiday very close to home, to the East of England Showground to camp as the New Wine Christian Summer Conference moved from Shepton Mallet in Somerset to Peterborough to celebrate 30 years of New Wine summer conferences. The rain poured as caravans and tents were erected on day one, and the rain continued during the week, but the physical rain was nothing compared to the out pouring of God's presence and abundant blessings on all who had gathered together.

We plan on attending the conference again next summer, going as a church family to New Wine Week B, Sunday 2nd to Saturday 8th August 2020. This will run alongside a new youth venture called Luminosity: Youth, if you enjoyed Soul Survivor, Luminosity is for you. Why not pencil the date in your diary now and consider joining us? A number of people came for a day or evening visit to New Wine this year, so do ask people about their experience.

Whatever your plans this summer, I look forward to hearing about your adventures in coming weeks.

Every Blessing

Sylvia

## Lego 'Big Build' Days

On Tuesday 30th and Wednesday 31st July, CSK went Lego crazy. We welcomed just over 150 children and their parents and carers into the church over the four sessions and there were some very exciting Lego creations to behold. Thank you to the small but faithful team who served over the course of the two days. Thank you also to the Chimes Team who supported this event with a special priced ice-cream for each child.

## Summer Crafts Afternoon

Come along and join in the fun! Who will you invite? Want to be part of the team?

## Sunday School Party

Thank you to Cara and team for organising the Sunday School Party on 20th July. It was a great afternoon with lots of games, fun and food to enjoy. There are 'rumours' of another one later in the year.... Speak to Cara if you would like to help make it happen.

## Looking ahead.....

Has this write up got you thinking about you might get involved with any future events that we offer to children and their families? Or perhaps you are thinking about serving on our children's team on a more regular basis? Then don't leave it a day longer - talk to Joy or email her -
